January Meeting: Emotional Intelligence –
Be the change you're looking for!

The Presque Isle CPCU Society chapter held our first event of 2020 on January 27th with over 60 members and one Gannon University student in attendance. Members brought peanut butter and jelly for our drive to support at-risk families in need. Our Featured Greeter was Adella Pilliteri. She was attending her first meeting since joining the chapter as a Candidate member only days earlier. Our chapter's own, Erin Siegrist, led a lively discussion on Emotional Intelligence, a presentation that she delivered at the 2019 CPCU Annual Meeting. Self-Awareness, Motivation and Empathy and their practical application in the workplace were a few of the topics discussed. Lastly, the 5th Annual Golf Tournament and Networking event was announced to be held on July 31 at Beechwood Golf Course. Prize/raffle donations, volunteers and golfers are welcome! Please contact Laroux.Whitman@erieinsurance.com for details.
